

# CITY OF LODI

## COUNCIL COMMUNICATION

AGENDA TITLE: Contract Award for Stockton Street Improvements, Lockeford Street to Turner Road

MEETING DATE: June 2, 1993

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution awarding the contract for the above project to George Reed, Inc., in the amount of \$224,629.00, and appropriate \$260,000.00 from the Measure K Fund to complete the project.

BACKGROUND INFORMATION: This project includes the reconstruction and partial overlay of Stockton Street. Minor widening will be done along the Stockton Street frontage of Lawrence School. (The School District Board has approved the dedication of 10 feet of right-of-way to the City.) As compensation for the 10-foot dedication, it is recommended that the City pay for street improvements along the Lawrence School frontage. The City uses Lawrence School for a number of its recreation programs and the installation of the street improvements will improve the access to the site and benefit the entire public.

The paving portion of this project will require the closure of Stockton Street. The closure will be done in two phases to minimize the effect on the Stockton Street businesses.

This project is part of the State-Local Transportation Partnership Program (SLTPF). The 1992/93 Streets Capital Improvement Program was approved with the engineering and design of this project being done this fiscal year.

In order for this project to remain eligible for the SLTPP funding, it must be awarded by June 30, 1993. It is being recommended that \$260,000.00 be appropriated from the Measure K Fund to complete this project. Approximately 20% of this project will be funded by the SLTPP. When this money is received by the City, it will be transferred back into our Measure K Fund.

Plans and specifications for this project were approved on April 21, 1993. The City received the following five bids for this project:

APPROVED

THOMAS A. PETERSON  
City Manager
